The City of Norman Parks and Recreation Department will present their plans for park improvements at four parks to be funded by the park land development fees that were freed-up in a recent City Charter amendment. The improvement plans for Colonial Estates, Colonial Commons, Sunrise and Adkins Crossing Parks will be presented at the regular October meeting of the Board of Park Commissioners on **Thursday, October 4, 2012 at 5:30 p.m.** in the City Council Chambers (201 West Gray Street). Public comments on the proposed projects will be used to guide the final design decisions. Citizens who live in the neighborhoods around these parks are encouraged to attend this meeting. The proposed improvements will begin being implemented following the Park Board meeting.

Questions regarding the meeting can be directed to the Norman Parks and Recreation Department Park Planning Division at 366-5480.
